

**Inks, colors, and supplies...your way.  
Guaranteed!**

## **Volatile Organic Compounds**

Dear Valued Customer,

This letter is to inform customers that items manufactured by One Stroke Inks do not contain any volatile organic compounds (VOC's).

More information about VOC's can be found on the Environmental Protection Agency's website below.

[www.epa.com](http://www.epa.com)

Should you require additional information or have further questions, please do not hesitate to contact your account rep.

We appreciate your interest in our products and the services provided by One Stroke Inks.

Thank You,

TJ Golightly  
Vice President

\*\*\*One Stroke Inks does not knowingly use any products containing prohibited substances in the production of our inks. This information is believed to be accurate based on information provided to One Stroke Inks by our suppliers. This information is given without guarantee and does not constitute a warranty. Due to conditions that are out of our control, i.e., handling, processing, and application, One Stroke Inks can assume any liability for the end results of this product.
